TFL Charlie Brown's Roundabout

As you might be aware, TfL are proposing new signalised toucan pedestrian and cycle crossings on all arms of Charlie Brown's Roundabout and road layout changes in order to accommodate the crossings. They are also proposing to widen the footways around the roundabout to give more space for pedestrians and cyclists. This would involve removal of small areas of grass verge.

We would encourage our school community to view the proposals online and respond to the consultation. Please visit www.tfl.gov.uk/charlie-browns-roundabout by Friday 4th August.
